

Everybody loves their mother always

Every mother loves a child, somehow
Something in her hug just tells you
She's loving you now
Everybody finds a mother someplace
It's a gift when love is truly near
Something in my heart keeps saying
My mother is here

If I had the chance and power
I'd arrange for everyone to feel her arms
Then every moment, every hour
Every child would know a mother's charms

Everybody loves their mother always
And although my dream was overdue
Her love made it worth the waiting
For someone like you

Everybody loves somebody sometime

Everybody falls in love somehow
Something in your kiss just told me
That sometime is now
Everybody finds somebody someplace
There's no telling where love may appear
Something in my heart keeps saying
My someplace is here

If I had it in my power
I'd arrange for every girl to have you charms
Then every minute, every hour
Everybody would find what I found in your arms

Everybody loves somebody sometime
And though my dreams were overdue
Your love made it all worth waiting
For someone like you

Zo zeg je dat, zo zing je dat:

Luister naar de inzet van het orkest
en volg dat met je stem.
Zing nooit vóór de muziek uit.
Zing lay-back. Zing niet overal lange tonen.
Bas en slagwerk van het orkest is de basis.
Zelfs als je slechts brushes hoort.
Jouw stem vult dat in.
De opname van mijn stem is in de stijl van Dean
Martin gemaakt met software van Audacity.
Zo zing ik IN het orkest in plaats van MET het
orkest.

Pas bij de laatste vier regels mag je voluit zingen,
zo luid als je kunt.
Zolang het geluid van je stem niet verandert in
een andere zangstijl.
